

**Meeting start:** 7:04

**Attendance:** Brian Bochantin, John Birkrem, Shea Stevens, Guy Dela Rosa, Chris Kinney, Joe Mela, Rex Hay and Jon Faehl  
Reviewed Agenda (see below)

**Notes of Interest:**

- Joyce from the Neshaminy Creek Watershed Association came to talk about the tree restoration in the park. She will be meeting with Joe on Sunday to go over areas of our course in need of trees.
- Club plans to plant trees in the fall after the Yetter.
- The fundraising goal of \$1000 for new teepads has been reached! The excess amount has been reallocated to the tree fund which will be our new focused goal for general donations.
- The first new teepad will be Hole 7. A temporary short (which may become permanent) will be setup by Joe to allow play to continue as the new pad is set.
- John has been courting Tee Time to cover the Yetter. We are waiting a response as their team may want to play.
- Shea will be relaunching the Adopt-a-Hole program, starting by offering priority picks to previous adopters.
- We have sorted out our account with Wells Fargo and received checks so we will be writing our \$400 donation check to our B-Cause tournament charity
- We have created a Consumables category for our expenses and allocated \$1200 for the annual budget. This category will include expenses for such items as stone, wood, and any other materials needed for course maintenance and upkeep (excluding the new teepads).
- Eric Yetter's sister reached out to John to express interest in helping with the tournament shirt. Joe is going to send John pictures of old Yetter memorabilia.
- Club suggested Guy keep his Ace Race hotdog idea as an Easter egg while he waits to see how turn-out/weather will be.
- What will be hole 27 has been cleared to the B pin and a path has been cleared to hole 30 so players can transition while the last two holes are being worked on.
- Winter League start date has been moved to 10/28/18
- Hope Zelinski emailed Brian about a demo for 25 people she will be doing on September 7<sup>th</sup>. We will be selling hope discs at \$6 apiece. Guy will be working with her on a 9 hole layout.
