

***Due to the stay at home guidelines for COVID-19, this meeting was conducted via conference call**

Meeting start: 8:15

Attendance: Rex Hay, John Birkrem, and Shea Stevens

Reviewed Agenda Below

Notes of Interest:

1. The Rex has spoken with the new park manger a few times. He heard very good things about the club from previous and current staff.
2. B.S. Bochantin is still set to run his Tyler A-Holes Tournament on June 20th with a modified format to meet state and local safety guidelines. He will be making his final decision to move forward with or cancel the event the weekend prior. The club has agreed to move all baskets to the A position that can be 4 days prior to the event.
3. Prior to the stay at home orders going into effect, more telephone poles were added the switchback from Hole 7 to 8. This project is nearly complete and we are just waiting for the park to deliver more materials when they are able. During the stay at home orders, course maintenance was kept to a minimum of trimming, weed-whacking, and mowing as needed. Several other club members have worked to repaint, restore, or make new signage for the course as well.
4. Formal work days and sales days will continue to be suspended until the park gives us permission to resume them.
5. Hole 10 will be an immediate focus when work is allowed to resume.
6. Shea will be trying to open the lost and found and to contact owners once a month. All discs that owners requested be taken to Langs' Ski N' Scuba were delivered on 6/9.
7. Vote to approve the BCDGA Facebook Policy, to give better definition to the Webmaster's social media monitoring responsibilities, passed 3-0
8. John proposed:
